It all started at noon and by then we all had lunch which included different spices: rice, a stew of meat & green grams and Chapatis. Having had all that delicious meal, we also had some fruits (Bananas, Pears). Afterwards we had a little entertainment and at the middle the guests arrived on time. The MC (Lilian Mugambi) welcomed the guests with a happy clap.

Among the guests (pastor and his 2 fellows and Kamau included) The pastor who conducted with prayers for the ceremony. He then gave a piece of word which should always encourage the children, teenagers and the staffs. It is to be noted that the pastor comes from CMC and he has been visiting Lipela severally. The MC gave the guests a golden chance to the rest of the guests. One of them being Mathenge who was to deliver his speech informed of happy birthday card whereby he congratulated the admirable work for the sponsor (Peter Mutahi, Jane, Lisbeth, Las), he appreciated the work of the staffs and told them never to give up and asked the children to work hard in order to help Lipela in coming future and the spread the good will of Lipela Childrens home to the community.

After Mathenge's speech the pastor was given a chance to conduct the cutting of cake and there was cheering from all corners of the room. The cake was then shared among the children who received it joyfully. As we concluded we all held a dancing section and the children, staffs and invited guests were happy for the day.
